### Faithful Friar's Report

The Way We Think – is he Way We Act

We already know that we can control our thoughts. Our mind is like a giant computer. Our brain stores every thought we have ever had. That's good –

### PRAYER FOR THE UNBORN

We should make it a habit to pray daily for the lives of the unborn. Here is a very short and easy to remember prayer by Archbishop Fulton J. Sheen:

*Jesus, Mary, Joseph,  
 I love you very much.  
 I beg you to spare the life of the  
 unborn child  
 that I have spiritually adopted,  
 who is in danger of abortion.  
 Amen.*

### Invite a friend to become a 4th Degree Knight!

With the 1st Exemplification behind us, our Assembly needs to strive towards its goal for the fall Exemplification that will be held in Rosenberg, Texas in 2007. So lets not delay what our future can bring to us tomorrow .

See SK Harry Ford if you are interested in making a fourth degree. His phone is 281-558-6146 or you can email at [hford79682k@aol.com](mailto:hford79682k@aol.com)

Ask a friend to join the Assembly!.....

most of the time. But, it's not such good news when we consider how much negative input, foul language, smut and ungodly concepts we are inundated with every day. I'm sure most of us can admit that one time or another – we have spent too much time thinking about something -- or someone – that was not going to be good for us. The bottom line is ... how we finally dealt with it. The devil has a way of making bad things look good – and showing us how we can rationalize almost everything.

In John's gospel, 16:33, Jesus said, ***"In this Life you will have trouble. Be of good cheer for I have overcome the world."*** When troublesome times come, choose your attitude. Believe that he is greater than our problems. We can choose right thoughts and actions. With God's help, we can turn any situation around – and make it good.

Deacon Bob Dunham
